

Communication Access

Communication Disabilities
Access Canada

I know you want
to give me
access to
your service.

I can tell you how
you can make your
service accessible
to me.

I need to
understand what
you are saying.

You need to
understand what I
am communicating.

I need extra time
to communicate
what I have to say.

I need to
communicate my
own thoughts
and questions.

I need to be able
to use and
understand your
reading materials.

I need to be able
to complete and
sign your forms.

Access includes
communication.

I have a legal right
to access services
like everyone else.

My rights are
protected by many
laws in Canada.
